

Opening of the Paramagnetic NMR Facility Leiden  
September 11, 2013

**Scientific Program**

(Havinga Lecture Theatre, Gorlaeus Laboratories, Einsteinweg 55, 2333 CC Leiden)

12:00 Walking Lunch

12:25 Welcome

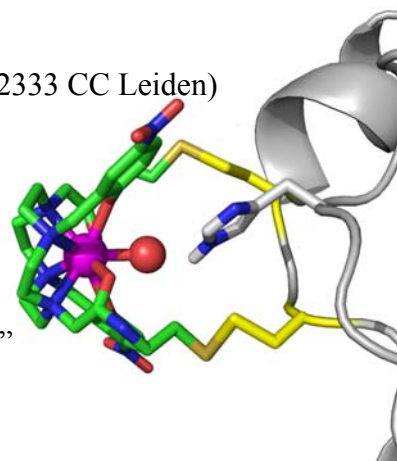

12:30 Prof. Dr. Rolf Boelens (Utrecht University)  
"Structure and dynamics in gene regulation and DNA repair"

13:10 Prof. Dr. Claudio Luchinat (University of Florence)  
"Paramagnetism at the Florence NMR infrastructure:  
history and present developments"

13:50 Tea break

14:30 Dr. Guido Pintacuda (École Normale Supérieure, Lyon)  
"Paramagnetic solid-state from metalloproteins to battery materials"

15:10 Dr. Mathias Hass (Leiden University)  
"NMR lanthanide tags probe the structure and dynamics of proteins"

**Ceremonial Program:**

(Lecture Theatre C1, Gorlaeus Laboratories, Einsteinweg 55, 2333 CC Leiden)

16:00 Tea & Coffee

16:30 Prof. Dr. Marcellus Ubbink (Host)

16:45 Dr. Louis Vertegaal (Director NWO Chemical Sciences)

16:55 Prof. Dr. Jaap Brouwer (Director Leiden Institute of Chemistry)

17:05 Prof. Dr. Han de Winde (Vice Dean, Faculty of Science)

17:15 Drs. Willem te Beest (Vice President of Leiden University Executive Board)

17:25 Drinks & Visit of the NMR facility

*(No registration required. No admission.)*

Information: Prof. dr. M. Ubbink ([m.ubbink@chem.leidenuniv.nl](mailto:m.ubbink@chem.leidenuniv.nl))
